

Walt Havenstein, '71, who just recently took the helm of SAIC as CEO, made a visit to SAIC's operations supporting activities at NAS, Patuxent River, MD. This generated an impromptu reunion with a number of "old salts" from the 70s, now SAIC employees: from left to right, John Ryan, a NESEP from NC State '77 and former NAVAIR PMA-271, Jim Grace and Greg Stachelczyk, both USNA '74, all supporting PMA-205; Lew McIntyre, USNA '70, supporting PMA-271; Rick Snyder, USNA '75, supporting UAV programs; and of course Walt Havenstein, USNA '71! Lew was one of Walt's youngsters in 33<sup>rd</sup> Co.
